Poland is one of the most appealing places to do business in Central and Eastern Europe, with an attractive and friendly investment climate.

Contributing factors include the country's strategic location in the heart of Europe and at the crossroads of major trade routes, an ever-expanding transportation infrastructure, human capital as well as a stable and crisis-proof economy.

Wanting to strengthen Poland's investment potential, we are creating conditions for opening and conducting business that respond to the needs reported by entrepreneurs. Thousands of entities trusted the favorable business climate, and 94% of foreign investors indicated that they would invest in Poland again.
