Are you planning or implementing an investment in Poland? Or perhaps you just want to better understand the Polish tax system? The Ministry of Finance publishes a series of tax guides. Accessibly written, aim to help you navigate through the tax issues in Poland.

### Investor's Tax Service Centre

Tax Support for  
Your Investment

Investment is a journey into the unknown. We understand that every ambitious project brings not only aspirations but also uncertainties, particularly concerning tax obligations. Large-scale investments often generate complex tax issues that require a tailored and comprehensive approach. To effectively support strategic investors in Poland, the Ministry of Finance has established the Investor's Tax Service Centre.

This guide presents the activities of the Centre, which can help you understand tax issues and conduct proceedings regarding investment agreements.

If you want to learn more, **read the guide “the Investor’s Tax Service Centre. Tax Support for Your Investment”** (in English or Polish).

## Tax Reliefs and Incentives

Poland is one of the most appealing places to do business in Central and Eastern Europe, with an attractive and friendly investment climate. Contributing factors include the country's strategic location in the heart of Europe and at the crossroads of major trade routes, an ever-expanding transportation infrastructure, human capital, as well as a stable and crisis-proof economy.

We want to strengthen Poland's investment potential, which is why we are creating conditions for opening and conducting business that respond to the needs reported by entrepreneurs.
